PAIRS/BOYS INITIATIVE

The SMBSC is currently following Skate Canada's direction of pair initiative. It's a fun and great way to learn new skills. You have many opportunities to progress and compete. You can continue to compete and train singles at any club/coach of your choosing. If you are playing hockey and want to try figure skating as well ...some of our boys do both. If you are interested please let Charleen know as we will be doing tryouts. We currently have both boys and girls looking for partners! SMBSC have been chosen by Skate Canada for their National Pair Initiative! Lots of exciting opportunities to work with coaches and judges (remotely) from all across Canada.

COST-All programs are priced per session. If you purchase more than 5 sessions take \$150 off. Lisa will apply discounts manually after you are registered. It takes time so please be patient. Competitive program DEAL has a training expectation attached. Designed for those skaters no matter the category that wants to commit to training. Pairs sessions have single sessions built into the training!

We know that these are slightly different times. We will do our best to keep every session very positive, safe and FUN!

There will be two fundraising activities per season.

All skaters and parents will be asked to volunteer for the competition SMBSC is hosting November 17-19th.

It's a fun weekend!

Stage 4 and up are welcome to participate in the Junior group and star skate group programs. It is a fast and exciting program that is geared to improving your figure skating skills. If you are interested in figure skating and have questions if this is for you email skatecoach@gmail.com

Off ice is an important part of training. Excessive talking, disruptive behavior or bad sportsmanship will not be tolerated. **ONE** warning then the skater will be asked to leave the class with no refund.
