## PAIRS/BOYS INITIATIVE

The SMBSC is currently following Skate Canada's direction of pair initiative. It's a fun and great way to learn new skills. You have many opportunities to progress and compete. You can continue to compete and train singles at any club/coach of your choosing. If you are playing hockey and want to try figure skating as well ...many of our boys do both. If you are interested please let Charleen know as we will be doing tryouts. We currently have both boys and girls looking for partners! SMBSC have been chosen by Skate Canada for their National Pair Initiative! Lots of exciting opportunities to work with coaches and judges (remotely) from all across Canada.

**COST-All programs are priced per session.**

**Competitive program DEAL has a training expectation attached. Designed for those skaters no matter the category that wants to commit to training. Pairs sessions have single sessions built into the training!**

**There will be ONE CLUB fundraising activity THIS SPRING and THE ICE SHOW .**

Stage 4 and up are welcome to participate in the Junior group and star skate group programs. It is a fast and exciting program that is geared to improving your figure skating skills. If you are interested in figure skating and have questions if this is for you... just ask!
